WOODEN WALL DESIGN

## Amber

The “Amber” wall covering is made of reclaimed wood. The surface of the boards is extensively brushed to highlight the wood’s unique texture and aged brown color.

## Silver

The “Silver” wall covering is made of reclaimed wood. The surface of boards is carefully cleaned to preserve the natural grey color of reclaimed wood.

## OZO

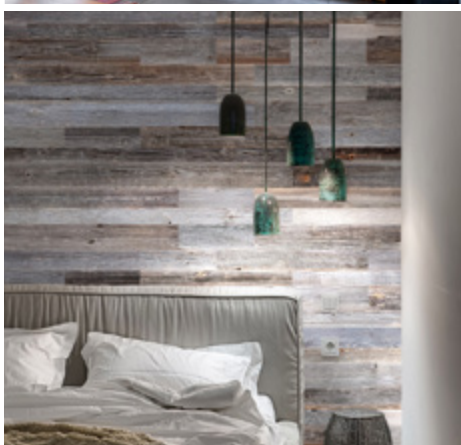

Wall panel “OZO” is made from solid oak wood, which has been cut into two thicknesses to create a 3D effect. The surface of the boards is extensively brushed to highlight the oak’s unique texture.

## Mask

The “Mask” wall covering is made of reclaimed wood. The surface of boards is covered with whitewash for a modern clean look and texture.
